COLLEGE OF COMPUTING & INFORMATION SCIENCES

OFFICE OF THE PRESIDENT

The Entire Students' Body;

RE: THE CoCIS OPEN DAY AND HACKATHON EVENT SUCCESFULLY CONCLUDED.

Warm Greetings my friends, all hopes that this finds you well.

With reference to the above mentioned caption , whereas CEDAT was marking its 8th Annual Open day, CoCIS was marking its 1st. Nevertheless, the now Annual CoCIS open day and hackathon event that was scheduled for the 26th and 27th of october went well. This event was the first of its' kind in the history of CoCIS and i want to task the next students' leaderships to carry on with this occasion and make it our culture. I want to thank the current students' leadership for the commitment towards serving the general students' body.

In a special way, i want to extend my sincere gratitude and appreciation to the committee that organised the recently concluded event. The committee that was led by Her Excellency Ankunda Dorothy, the Vice President of SCIT and deputized by the College Finance minister Hon. Agaba Dunok and the College Vice President H.E Akoragye Datsun did a commendable job and i must say that i am very proud to serve with the entire leadership. This committee has proven to be an epitome of service above self and we hold the same in high regard. We cannot forget the input of Prof. Engineer Bainomugisha who walked this journey with us in all aspects right from the start. Thank you.

The event was graced by the State minister for science, technology and innovation as the Guest of honour among other guests and we look forward to the opening of the "Dr Elioda Tumwesigye Innovation Hub" at CoCIS.

I am also glad to officially announce the winners of this competition as follows;

1. **Yo-waste Application.** Team leader- Tumusiime martin- BCS 2
2. **The Kaseke(breathlizer) device.** Team leader- Ankunda Dorothy- BCS 3
3. **The SafeBangle Devive.**Team leader-Ambrose kamya- BSSE 4

Congratulations to these teams and i want to encourage all students to engage more and participate in such college competitions so as to harness innovations , inventions and capacity building among us because this is an aspect of practicability given our aspirations as professionals.

Kind regards,

SIGNED

KIDEGA MOSES (BSSE 4)

PRESIDENT.

"Making CoCIS greater"
